2017 junior program

SDSU (San Diego State University)

SUMMER [for students aged 12-17]

The Junior Program at San Diego State University is a fully residential program and combines intensive, small-group English classes with daily field trips and excursions to exciting local attractions.

Students have access to many university facilities including an Olympic-sized swimming pool, volleyball courts, sports fields, and a recreation room as well as the university library and computers with internet.
